New York, 29.—The Sun has a story of gold and silver discoveries near Plainfield, N. J., which are exciting interest in that section. It is stated that an old copper mine, half a mits from Bound Brook, known as the Field Mine, was recently prospected by the periment of special laws and recently prospected by the periment of Plainfield, who had several specimens of Arizona and Colorado ove in his possion. The specimens assayed by Fuller and Stillman, of this city, shewed allver and gold in sufficient quantities to national ruff-sge, and carrying out in justify working. The exact figures gives. Cuba the economical and several reforms ler and Stillman, of this city, showed allver and gold in sufficient quantities to quantities to present the surface of the cramination has seemingly been most estisfactory. A lease with a conceobtained of the Field Mine for twenty years, and subsequently other leases on adjacent property of the extant of many hundreds of acres were property of a prominent and thorough inspection upon which it is reported he offered all the money desired. From \$10,000 to \$50,000 worth of mechinery has already been ordered, and in a few days it is expected that ore, or what is said to be ore, will be transported from the mines to the mills that have been secured on the line of the Central Railroad, near Plainfield. It is said that veins of ore eight feet APPLICATION FOR PATENT. of the Central Railroad, near Plainfield. It is said that veins of one eight feet thick crop out on the surface at many places where mining privileges have been ectured, and miners estimated that the pield of gold and silver will be heavy and profitable, as the copper will pay smough to meet all expenses. There is considerable excitement over the alleged listovery. UNITED STATES LAND OFFICE,

About Ricycles.

New York, 19.—The famous Malkons good throughout Ireland. An unusual sente, at Newport, R. L., has been rounded for the season to Mrs. M. A. Pétit, of San Francisco.

Great preparations are making for the national bicycles meet at Newport. A drank apolit says it is desired to eclipse the first Hampton Court meet in England, where there were sixty-seven bicycles present. Kome of the clubs have not yet been brand from, and the unattached men will probably count up to manify 190. The greater part of these sill arrive by best on Sunday evening. Delegales will arrive from all parts of the country, as far west as St. Leais, and a grand time is expected. There will be a meeting on Monday for the purpose of forming a bicycle union and club. The event is looked forward to with great interest.
